Summary:

[REQUESTS OPEN] I've been out of my writing mojo for a while now, so I decided to open up some oneshot requests for some of my fandoms!

Multi Fandom Oneshot Fic Requests

I've been out of my writing mood for a while now, both for fanfic and my own original projects. So in some attempt to remedy this or at the very least have some writing practice, I decided to open up some oneshot requests for funsies!

I'll write on the fandoms tagged above and am open to most ships, gen stories, AUs, et cetera. Expect works to be anywhere between 1000 to 5000 words, possibly a bit over if I get particularly carried away. The prompt can be as detailed or as vague as you like, just be sure to tell me of any specifics you want as I'm not a mindreader.

Will Write:

- Gen/Friendship
- Ships (F/M, M/M, F/F, Crossover, Cracky, whatever)
- Fluff
- Angst
- Violence
- AUs
- Crossovers
- Most things really

Won't Write:

- Explicit sex/smut (Implied is fine, I just don't write sex a lot to feel confident enough to explicitly present it)
- Ships with incest/large age gap
- OC Inserts

Finally, please keep in mind that it may take some time as I'm a busy university student, so please be patient with me as I deal with real life as this is all for fun. Comment down below with your requests!
